Calron® Soil

DIRECTIONS FOR USE

For best results, use watered-in applications. May be applied via irrigation system or prior to irrigation. Apply enough water to move the product into the area of active rooting, but not excessive amounts that may leach. Use the higher label rates with surface and flood irrigation. Shake well and/or agitate before use.

DO NOT mix with other products in concentrated form without first adding water. Recommended mixing sequence: Water, adjuvants, pesticides, FBSciences nutrient products, other fertilizers then agitate. When mixing with high phosphate fertilizers, add a citric acid buffer until the pH is 4.5 to 5.0 to improve compatibility and uptake. Ensure agitation is available when mixing with sulfate fertilizers. A standard jar test is recommended before tank mixing.

RATES & TIMING FOR ALL CROPS

Apply **1-8 quarts/acre** any time during growing season; repeat as needed.

INSTRUCCIONES DE USO

Para obtener mejores resultados, usar aplicaciones con agua. Puede aplicarse a través del sistema de riego o antes del riego. Aplicar suficiente agua para mover el producto al área de enraizamiento activo, pero no cantidades excesivas que puedan filtrarse. Usar las tasas de etiqueta más altas con riego por inundación y por superficie. Agitar bien y / o agitar antes de usar.

NO mezclar con otros productos en forma concentrada sin antes agregar agua. Secuencia de mezcla recomendada: agua, adyuvantes, pesticidas, productos nutritivos de FBSciences, otros fertilizantes y luego agitar. Cuando mezcle con fertilizantes con alto contenido de fosfato, agregar un neutralizador de ácido cítrico hasta que el pH sea de 4.5 a 5.0 para mejorar la compatibilidad y la absorción. Asegurarse de que haya agitación disponible al mezclar con fertilizantes de sulfato. Se recomienda una prueba de jarra estándar antes de mezclar en el tanque.

TASAS Y MOMENTO PARA TODOS LOS CULTIVOS

Aplicar de **1 a 8 cuartos de galón/acre** en cualquier momento durante la temporada de crecimiento; repetir según sea necesario.

WARNING

READ ENTIRE LABEL BEFORE USE | KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENTS Harmful if swallowed. Causes serious eye irritation.

AVISO PELIGRO Nocivo si se ingiere. Provoca irritación ocular grave.

PRECAUTIONARY STATEMENTS Wear protective gloves/clothing and eye/face protection. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. **IF SWALLOWED:** Rinse mouth. Call a POISON CENTER or doctor/physician if you feel unwell. Dispose of contents/container in accordance with local/national regulations.
