# CopCAN™ Soil

**CopCAN Soil CN Compatible** is a soil-applied liquid nutrient formulated to be compatible with calcium nitrate and calcium ammonium nitrate, including CN-9 and CAN-17.

## DIRECTIONS FOR USE

For best results, use watered-in applications. May be applied via irrigation system or prior to irrigation. Apply enough water to move the product into the area of active rooting, but not excessive amounts that may leach. Use the higher label rates with surface and flood irrigation. Shake well and/or agitate before each use. DO NOT mix with other products in concentrated form without first adding water. Recommended mixing sequence: water, adjuvants, pesticides, FBSciences nutrient products, other fertilizers then agitate. A standard jar test is recommended before tank mixing.

## RATES & TIMING FOR ALL CROPS

Apply **1-4 quarts/acre** as needed throughout the season.

## INSTRUCCIONES DE USO

Para obtener mejores resultados, usar aplicaciones con agua. Puede aplicarse a través del sistema de riego o antes del riego. Aplicar suficiente agua para mover el producto al área de enraizamiento activo, pero no cantidades excesivas que puedan filtrarse. Usar las tasas de etiqueta más altas con riego por inundación y por superficie. Agitar bien y / o agitar antes de usar. NO mezclar con otros productos en forma concentrada sin antes agregar agua. Secuencia de mezcla recomendada: agua, adyuvantes, pesticidas, productos nutritivos de FBSciences, otros fertilizantes y luego agitar. Se recomienda una prueba de jarra estándar antes de mezclar en el tanque.

## TASAS Y MOMENTO PARA TODOS LOS CULTIVOS

Aplicar de **1 a 4 cuartos de galón/acre** según sea necesario durante la temporada.

**DANGER**

**READ ENTIRE LABEL BEFORE USE | KEEP OUT OF REACH OF CHILDREN**

**HAZARD STATEMENTS** May intensify fire, oxidizer. Causes eye and skin irritation. Harmful if swallowed.

**AVISO PELIGRO** Puede agravar el fuego, oxidante. Provoca irritación en los ojos y la piel. Nocivo si se ingiere.

**PRECAUTIONARY STATEMENTS** Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep/Store away from clothing and other combustible materials. Take any precaution to avoid mixing with combustibles. Wear protective gloves/eye protection/face protection. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. In case of fire: Use water to extinguish. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

**IF SWALLOWED:** Call a POISON CENTER /doctor/physician if you feel unwell. Rinse mouth. Dispose of contents/container in accordance with local/national regulations.
